The Munay-Ki are the nine great rites of initiation of the medicine way. The Munay-Ki are the nine gates that heal us and transform our human energy field into that of homo luminous.

The prophecies of the ancient Americas speak about a new human appearing on the planet - one who lives free of fear and resides in his or her transcendent nature. The Munay-Ki are the codes for the new human. They are delivered in the form of energetic transmissions. The first four rites will be given in this class. These Rites are FREE, a small donation is optional.

I am so excited about this one. These are ancient rites were a closely guarded secret only given to the most high medicine men and women. The Q'ero are a small group of Inka descendents who remained undiscovered by Conquistadors. The wisdom keepers of this community have kept many of their medicine ways secret until now. The giving of the rites to others at this time is part of an ancient prophecy and the Q'ero elders are passing them on!

Julia Bales (a student of contemporary Shamanism) has received all nine Munay-Ki Rites and is now able to "gift" these rites to others. Julia is also teaching a workshop; "The World of the Modern Shaman", for more information go to www.cherryvalleyretreat.com.

Interestingly enough Julia- did a sacred space creating ceremony and except for the type of animals of the four winds called in, it was identical to the ceremony Peter Bernard (algonquinshaman.com) did to clear a sacred space at the farm last fall for the Honouring the Earth's Spirits Ceremony. Her animals were South American and his were North.

Julia also channels and was able to channel the Angels and spirit lightworkers who are at Cherry Valley. There is a lot more to that story and apparently more to come. So many exciting discoveries!! It also explains why some see Angel light there.

Please pass this along to your lists. I don't think anyone minds getting such a gift for free, and if they are called to spread this it would be wonderful. When you have received all 9 rites, you are enabled to give them to others. As mentioned there is no charge for this. We need to change the world now. I feel so honoured to be able to offer this.
